Organized in 1972, Cuyahoga Valley Scenic Railroad (CVSR) is one of the oldest, longest and most scenic tourist excursion railways in the country. It is a volunteer supported, not-for-profit organization working in partnership with Cuyahoga Valley National Park and dedicated to the preservation of passenger rail transportation in Cuyahoga Valley and the historic Ohio & Erie Canalway. CVSR tracks stretch 5.1 miles, south from Independence, just below Cleveland, passing through the 33,000-acre national park to Akron and Canton.
