Route Timepoints & Departure Times

The timepoints listed by route below show approximate departure times from selected bus stops along each route. These locations, called "timepoints," are indicated with letters (such as **A**) on both the time tables and map below. Find the timepoint nearest your stop, and use the times listed by route below to estimate your departure or arrival time. If your bus stop is between timepoints, you can estimate what time to catch the bus by locating the timepoints before and after your stop. For more info, please see the User Guide on the reverse side of this map.

Bus Stops

The black dots along each route are the locations of bus stop signs. It is important to wait for the bus at a sign location to ensure safe and effective service. Look for the green and white GO Transit signs. It's a good idea to arrive at your bus stop at least five minutes early. Routes 1-9 operate on a 30 minute frequency, which means the bus serves each bus stop every 30 minutes (except for Route 9's alternating service between the outlet mall and 20th Ave YMCA). Times shown below are approximate and can be affected by traffic and road conditions. To download individual route maps, visit www.rideGOtransit.com.

Bus Stops

GO Transit bus stops are marked by distinctive green and white signs located at stops along the routes. It is very important that you wait for the bus at the bus stop to ensure effective and safe service. Each sign will display either a single route number (left sign) when served by one route or multiple numbers (right sign) if served by more than one route. Please plan to arrive at your bus stop a few minutes early

Travel Training

GO Transit provides free training and other resources to any community member that would like to learn how to use the bus. We call this program "Travel Training." The program is designed to help first-time riders and individuals with disabilities become familiar and comfortable with riding the bus.

GO Transit is willing to help you plan a trip over the phone or via email.

Paratransit - GO Plus

Paratransit service is provided for individuals with disabilities that are unable to board, ride or alight a bus; or when environmental or architectural barriers prevent an individual with disabilities from getting to or from a bus route stop. Paratransit is a shared-ride, demand response sedan or lift-equipped van service.

Our paratransit service is called GO Plus. GO Plus also offers other programs for low-income workers and seniors. Contact GO Transit for more information on available programs, qualifications and how to apply.

Transfers

A transfer is needed when you cannot get to your final destination on the first bus you board and need to transfer to another bus to reach your destination. A transfer is a paper receipt issued to a passenger by the bus driver after a fare is paid. It allows the rider to board a another bus for no additional fare.

Transfers are accepted at multiple bus stops throughout the route system. Common timed transfer point locations include the Downtown Transit Center, West Transfer Point, Walmart and Mallard Ave/Evans St. The most common transfer points between routes are indicated with a red dot on the route map side.

- Tips and notes about transfers:**
- Tell the driver which bus you will transfer to when boarding your first bus.
 - Most transfers expire 60 minutes after issue.
 - The Route 10 bus will accept transfers at the Downtown Transit Center when the rider's destination is south of County Road Y. Riders from Oshkosh to Neenah must pay an additional Route 10 fare.
 - GO Transit will honor late transfers when normal service is interrupted.

Safe Riding

For your safety, please keep in mind the following policies.

- Always follow the bus driver's instructions. Our professional drivers are trained to make everyone's trip safe and convenient.
- Respect other riders. This includes no foul/offensive language, fighting, vandalism, littering, tobacco use and e-cigarette use.
- No food or drinks in open containers are allowed on the bus.
- Don't cross the street in front of the bus when you get off. Always wait for the bus to leave before crossing.
- Large items (including strollers) must be out of the aisle.
- Passengers must be able to safely board and carry all carry-ons or personal belongings in one attempt.
- No hazardous materials are allowed on the bus.
- No weapons or firearms are allowed on the bus.
- Please offer the front seating area to seniors and passengers with disabilities.
- Please be seated. If the bus is crowded and no seats are available, move to the rear of the bus and hold onto the rails. If standing, do not stand in front of the yellow line located on the floor near the driver.

Thanks for being a safe rider!

Other Information

Bike 'N Ride

All GO Transit buses are equipped with a bike rack, including Route 10. This service is available year round on all GO Transit bus routes. There is no additional fare when the bike rack is used.

For more information on how to use the bike racks, please visit our website at www.rideGOtransit.com.

Accessibility

Each bus is equipped with accessible features, including: kneeling capability (bus lowers to make the first step easier), a ramp for wheelchair boarding, on-board wheelchair securement areas, and stop announcements by the driver. GO Transit drivers are trained to safely secure wheelchairs. While onboard, mobility devices, such as wheelchairs and scooters, are secured using the proper four (4) point securement. GO Transit strongly encourages riders in mobility devices to use the provided shoulder belt.

Lost & Found

If you have lost an item on the bus or at other GO Transit facilities, call our information number (920) 232-5340. Articles that are found are held at the GO Transit Office (926 Dempsey Trail) for 30 days, except perishables. Lost bikes are transferred to the Oshkosh Police Department after 24 hours.

Title VI Notice

GO Transit is committed to ensuring that no person is excluded from participation in, or denied the benefits of its services on the basis of race, color or national origin as protected by Title VI of the Civil Rights Act of 1964, as amended ("Title VI"). If you believe you have been subjected to discrimination, you may file a written complaint with GO Transit - Attn: Title VI Complaints, 926 Dempsey Trail, Oshkosh, WI 54902. Contact GO Transit for additional info on Title VI obligations.

Riding is Easy

1 Plan Your Trip...
Use the Route Map on the reverse side to determine which route is closest to your origin and destination point.

Tip #1: Use Google Transit to plan your trip. This App can be found on GO Transit's website (www.rideGOtransit.com) or through Google Maps.

Tip #2: If you are a first-time bus rider, feel free to call GO Transit at 232-5340. We would be happy to help.

2 Check The Schedule...
Each route on the map includes lettered timepoints which indicate when the bus will reach key points along the route. Each route's timetable provides the bus's arrival times at each lettered point. Use this information as a reference to determine what time you should arrive at your bus stop.

Tip: It's a good idea to arrive at your stop 3-5 minutes early.

3 Catch Your Bus...
As the bus approaches, wave to alert the driver that you would like to board the bus. Also, be sure to check the route name and number, which appears above the windshield and on the side of the bus. If your destination requires you to transfer, ask your driver for a transfer slip as you board your first bus. See "Transfers" above for more info.

Tip: Be sure to have the correct cash fare or pass ready before the bus reaches your stop.

4 Enjoy Your Ride...
About a half block before your stop, use the pull cord located along and above each window to signal the driver to stop. If another passenger has signaled your stop, do not ring again.

Tip: Feel free to ask the driver any questions you may have when boarding or exiting the bus or while at the Downtown Transit Center.
