- Clemson Connector**
- CU-ICAR - St. Francis Shuttle**

RIDING TIPS

Waiting for the bus

Arrive at the bus stop 5-8 minutes before the printed time stop to avoid missing the bus. Stand at the nearest bus stop sign or shelter and make sure that the bus driver can see you. Always signal the driver that you wish to ride the bus. Remember that printed time points are approximate and depend upon traffic and weather conditions.

Boarding the bus

Please have the exact fare or your ticket ready before boarding the bus. Drivers are unable to make change. If you need a transfer, please tell the driver at the time you pay your fare. You cannot be issued a transfer after you leave the driver's area. Half-fare

riders must have their identification card ready to show the driver. If you do not have your card, you will be required to pay full fare.

Riding the bus

Front seats generally are for elderly or disabled passengers. After paying your fare, please move to the rear of the bus and take your seat as quickly as possible. When walking down the aisle, hold on to grab rails or seat backs. For your safety, do not move around the bus while it is moving. Wait until the bus has stopped to get up from your seat.

There is no eating, drinking, smoking or listening to music without earphones on the bus. Use care when carrying items such as umbrellas, groceries, etc. and help keep the bus clean by keeping your feet off of the

seats and by taking all trash with you when you exit.

If you find an item on the bus, please give it to the driver when you exit. All items left on the bus are turned in at the end of the day. Call 864-467-5000 if you leave an item on the bus.

The driver must concentrate fully on driving the bus, so please do not engage him or her in conversation. The driver may be distracted by talking with you.

Exiting the bus

Please give the driver adequate notice that you want to exit the bus. Pull the bell cord at least one block before your desired stop.

Please use the rear exit door and do not cross the street in front of the bus.

Stand away from the bus and wait until it leaves the area before attempting to cross the street.

Transferring to another bus

- Ask for a transfer when boarding the bus, and tell the driver the route to which you wish to transfer. Transfers will not be issued at any other time during your trip. You cannot obtain a transfer when you exit the bus.
- All transfers occur at the Greenlink Transit Center at 100 W. McBee Avenue, Greenville.
- As your bus approaches the Transit Center, your driver will notify the driver of your next bus to ensure that you make your connection.
- Your transfer will have a "Time Issued"

printed on it. You must board the next available bus traveling the route to which you are transferring in order for the transfer to be valid.

- Occasionally buses can be delayed by trains, traffic or detours. If this occurs, the driver will adjust the time on your transfer and will inform you of how long you will have to wait.
- When you board the second bus, give your transfer to the driver. Please do not put the transfer in the fare box or leave the transfer on the driver's seat.
- Transfers are not valid for round trips. For example, you may not ride the bus downtown, shop for 30 minutes and use the transfer to return home.
- Transfers may not be sold or given away.
- If there is a dispute with a driver, please pay the fare and call 864-467-5000.
