

# Welcome to CAT

**Video and audio monitoring on all CAT buses and paratransit vehicles.**

## Service

Most routes operate Monday through Saturday. Evening service from the Travel Center (until 8:00pm Monday through Friday) and Sunday service are provided on a limited number of routes. Please check your schedule brochure or call the Information Office for exact service hours for the bus you plan to ride. **Schedules and maps can be viewed on CAT's website at [www.cat.org](http://www.cat.org), or schedule your next trip using Google Transit at [www.google.com/transit](http://www.google.com/transit).** CAT buses do not operate on these holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day and Christmas Day.

## Riding The Bus

Have your fare ready when you board—cash, 10-Ride Card or Pass. Our drivers do not make change. Deposit your fare into the box next to the driver or place your Pass or Ride Card in the card slot on the right side of the farebox. If you have a Discount Fare photo-identification card from CATA or an ADA I.D. from Links Paratransit, be sure to show it to the driver as you board. If you need a transfer (they're 5 cents each), ask the driver to issue one to you when you board the bus. If you are using a 31-Day Pass or Day Pass you will not need to buy a transfer. As the bus nears your destination, pull the cord located above the windows or press the yellow strip between the windows. A bell will alert the driver that a passenger wants to get off the bus at the next stop. CAT's drivers announce the names of major intersections for the benefit of persons with disabilities.

## Transfers

If your bus doesn't take you as far as your destination, you may have to transfer to another bus to complete your trip. A transfer is issued to provide service between two points not served by a single route. Each transfer costs 5 cents and must be purchased when you get on the first bus and pay your fare. Transfers cannot be used for a return trip.

## The Bus Stop

CAT bus stops are marked with bus stop signs. Wait at the sign and signal the driver as the bus approaches. Check the destination sign on the front of the bus (above the front windshield or on the side where you board) to be sure you're boarding the right bus. Or ask the driver to identify the route before you board.

## Fare Information

Regular one-way fare is \$1.35. Discounts on 31-Day Passes and 10-Ride Cards are available for persons with disabilities and persons who are 65 years of age and over. ## Lost and Found

If you leave something on the bus, report it as soon as possible. Call us at 501-375-1165 or report the loss at the River Cities Travel Center at 310 E. Capitol Avenue in downtown Little Rock. Explain which bus you were on and when and where you got off the bus. We'll contact the driver for you and try to locate your property.
